

Business Products

All the Products You Need

Businesses shop on Amazon because they know they can find the products they need to keep their operations in motion. From IT to janitorial to those hard to find items. We stock millions of business products, and we're adding more business items and suppliers everyday. Whether it's a 3D printer, a lab beaker or break-room snack, you'll find it on Amazon Business.

Business Offers

Amazon Business gives you a growing number of business-only product offers. Suppliers such as USBiological and National Business Furniture now make a select number of their products available exclusively for businesses.

Find the Right Sellers

Find sellers who meet the specific needs of your business through our seller profiles. Discover sellers that meet specific requirements, with attributes like small business, women-owned and minority-owned business.

Business Pricing

Amazon's marketplace already makes it easy to compare prices and find the best deals. Now we've made it easy for suppliers to provide discounts reserved for businesses. Registered customers will see exclusive prices on a growing selection of items.

FREE Two-Day Shipping

Your business moves fast. So do we. With FREE Two-Day Shipping on orders of \$49 or more, Amazon keeps your business agile with our fast, free, reliable shipping. You can schedule unlimited deliveries on more than 20 million eligible items. Business customers can also stay informed about Prime and Purchase Delegation.

Compare Offers

Your organization needs to know that it is getting the best products and best value. Amazon Business makes comparison shopping a snap by displaying multiple offers from different sellers on a single page.

Amazon Tax Exemption Program (ATEP)

If you're eligible for tax-exempt purchasing, you may be able to participate in the Amazon Tax Exemption Program. The program allows you to make tax-exempt purchases and manage tax exemption across your organization.

Business Solutions

Multi-User Accounts

Onboard your team to Amazon Business and manage individuals and groups of users. Whether your company has a few employees or a few thousand, we make it easy to connect your team and share payment methods & shipping addresses.

Create Approvals

Customize your approval workflows and set individual spending limits to better manage your organization's purchasing on Amazon.

Order Tracking

Amazon Business allows you to use your purchase order numbers or reference text to improve recordkeeping. We also make it easy to track your shipments, by providing estimated delivery dates for all items in your order.

Amazon for Purchasing Systems

Now you can shop on Amazon with the controls and oversight provided by your company's purchasing system. Amazon is now integrated and certified for punchout with leading purchasing systems.

Amazon Line of Credit

Apply for an Amazon.com Corporate Credit Line, which allows you to place orders and finance purchases using a Pay-In-Full Credit Line or a Revolving Credit Line.
