User Group

You seem to be interested in conferences closer to home that take a deep dive into state-specific components.

Consider attending your state's user group and talking with districts in your state.

BOTH

Great! It looks like you're similar to many other district leaders who enjoy the benefits of both user groups and iCon.

Consider attending both to get a full perspective on the latest Skyward happenings.

iCon

You seem to be interested in the bigger picture ideas and wider range of networking available at iCon.

Consider attending iCon to bring back a variety of new ideas from Skyward presenters and other users like yourself.
