

What is Family Access?

Family Access is more than an online report card. It's an overview of your child's progress, future planning, and more!

- View grades, test scores, and upcoming assignments
- Receive attendance alerts
- Manage fees and enrollment for school activities
- Directly communicate with staff
- Monitor and deposit lunch money balances

78% of
teachers say that parental
support improves behavior in
the classroom.
(Public School Review, 2025)
