

SKYWARD IT PARTNERS

SKYWARD WORKS WITH MANY BUSINESS PARTNERS – BELOW IS A LIST OF COMMON COMPANIES AND PRODUCTS, AND WHAT THEY OFFER SCHOOL DISTRICTS.

Aerohive

Helps IT radically simplify wireless and wired access with Cloud Networking. Technology is sophisticated yet straightforward, offers unrivaled choice and flexibility, and continually solves real-world problems with continuous innovations.

Arcserve

Skyward's recommended back-up solution.

Aruba

HPE company, wireless LAN and edge access networking equipment.

Barracuda

Security, networking, and storage based on network appliances and cloud services.

Dell/HP Server Hardware

Skyward recommends them or HP for servers. Skyward is an HP Gold Partner. We will work with your district to create a server and SAN quotes using state contract pricing.

Geotrust (Symantec)

SSL certificates for securing websites and web-based applications like Skyward.

HP

ProCurve switches and wireless.

Lightspeed

My Big Campus, content filter, email SPAM filter/archive, power management to shut down computers based on a policy. If you own Novell Zenworks.

Microsoft

File, print, active directory, SQL databases, exchange email, system center management tools.

Mitel

Voice-over IP phone system.

Micro Focus Software Inc.

Linux file, web, and print services. ZCM application and policy management, ZMM mobile device management, and Filr (similar to Dropbox, but onsite and managed by your schools).

Ruckus

Manufacturer of wireless (wi-fi) networking equipment for enterprises and service providers based on smart wi-fi-technology.

SonicWall (Dell)

Skyward's recommended firewall solution.

Unitrends

Backup solutions, virtual, physical and cloud based.

VMWare

Skyward's recommended virtual server solution.
