

# Why consider

# Positive Attendance?<sup>1</sup>

Students check in to each class with a keypad, kiosk, or scanner—School Technology Associates creates hardware that works with Skyward.

No more roll call to kick off class! Teachers save valuable instructional time.

Data automatically flows into attendance records in Skyward.

## In short:

**POSITIVE ATTENDANCE INCREASES STUDENT AGENCY & DECREASES ADMINISTRATIVE EFFORT.**

Teachers and administrative assistants spend zero time entering attendance data in Skyward.<sup>2</sup>

## Keep Students Safe<sup>3</sup>

**KNOW WHERE STUDENTS ARE, NOT WHERE THEY'RE SUPPOSED TO BE.**

**RENDEZVOUS AFTER A DRILL OR EVACUATION.**

**CHECK IN AND OUT OF THE SCHOOL BUS.**

## Improve Attendance Records

**REDUCE DATA ENTRY ERRORS**

**INCREASE STUDENT OWNERSHIP<sup>4</sup>**

**COUNTER CHRONIC ABSENTEEISM<sup>5</sup>**

**REWARD GOOD ATTENDANCE—**  
Research shows rewards get results.<sup>6</sup>

## Expand Student Agency<sup>7</sup>

**CREATE FLEX PERIODS**  
When students can check-in to different resource areas

**ACCOMMODATE ALTERNATIVE SCHEDULES**

**INCREASE MOBILE LEARNING OPPORTUNITIES**

## Case Study: Sauk Prairie High School<sup>8</sup>

Sauk Prairie implemented a tardy kiosk and saved time, enjoyed more accurate data, increased student responsibility, and identified kids at risk for attendance issues. Positive attendance plays a role in their disaster planning, too: after an evacuation, students can use positive attendance devices to check in.
