

INTERNSHIP PROGRAM

RECENT GRADUATES TURNED FULL-TIME EMPLOYEES DISCUSS SKYWARD'S INTERNSHIP PROGRAM

What was your internship experience at Skyward like?

“My internship experience was fulfilling and fun. I enjoyed the opportunity to experience what it was like working at Skyward.”

- Tori Johnson, Customer Success Rep

“It was amazing! I didn't feel like an intern the entire time I was working here. They treated me like a normal employee and gave me ample opportunities to succeed.”

- Ryan Dougherty, Business Development Manager

“Applying for an internship at Skyward is one of the best decisions I've ever made. I learned more than I could have ever imagined, started earning real money, and really jumpstarted my career - all before graduation.”

- Alec Braatz, Software Engineer

What advice would you give to current college students considering applying for an internship at Skyward?

“You will not find a better opportunity anywhere else, so stop thinking and just apply!”

- Alec Braatz, Software Engineer

“An internship is a great way to get your foot in the door at a company, and do not be afraid to take that risk. Skyward is very accommodating to interns, and there is always a friendly face who is willing to help whenever needed.”

- Leah Lueck, Customer Success Rep

“My advice to current college students that are considering applying for an internship at Skyward would be to be passionate!

Skyward's internship experience allows young developers to grow their professional skills and also have fun working in a field they enjoy! You're able to practice your passion in a healthy environment that helps you grow.”

- Dakota Kallas, Software Engineer

What is your favorite aspect of Skyward's company culture?

“The atmosphere. There is never a day in the office that someone doesn't say “hi” or puts on a friendly face as you walk by. I would also have to say that everyone is willing to help no matter what their schedule looks like.”

- Leah Lueck, Customer Success Rep

“One of my favorite aspects of the company culture is how welcoming and friendly everyone is. No matter who you talk to and no matter the reason, everyone is always very friendly and willing to give a helping hand!”

- Dakota Kallas, Software Engineer

“I love the fact that we are a local company. It creates an environment in which you know everyone, and is easier to trust that the company has YOUR needs in mind first.”

- Ryan Dougherty, Business Development Manager
